GRADING POLICY

Grades are based on academic performance, participation in the Shiur and effort. The student's cumulative grade point average, or GPA, is calculated by multiplying the grade point equivalent for each grade by the number of credits, adding the products, and dividing the sum by the total number of credits. The student's cumulative GPA will appear at the end of each semester on the student's transcript.

An average of C, or 2.0 or better is expected to be maintained at all times. Students falling below this average may be placed on academic probation.

Grades and GPA equivalencies are as follows:
